Guarantee

(Endorsed by American Shorthorn Breeders' Association)

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is seventeen months of age or within three months of date of purchase.

3. Cows with own calves by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within three months. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificate of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchaser, but at their risk of loss or injury.

7. **TERMS:** Cash.

The above guarantee and terms constitute a contract between the buyer and seller and the auctioneers and sale manager assume no liability financial or otherwise.

HEALTH: These herds are under Federal Supervision for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Divide Shorthorns

WHEN you see the word "Divide" it makes you think of years of patient constructive breeding of Shorthorns that has resulted in greater improvement to the breed than has occurred during any like period in its history. It makes you think of cattle standing at the top in America's largest show ring. It makes you think of Shorthorns that have been bought and sold at top prices for the breed year after year. It makes you think of cows and heifers upon which the most substantial and successful herds have been built. It makes you think of scores of America's best herds that have been improved by bulls bred by The Allen Cattle Company.

Take down your Pictorial History number of The Shorthorn World, so newly off the press. Note that in the index to bulls will be found the names of no less than thirty-eight that are worthy of a place in this role of improving sires, the first name of each of which is "Divide". Then remember that not all of the great sires that have gone out from this famous establishment were given that distinctive suffix. There are such famous bulls as Proud Archer, one of the leading sires in America, that is a product of this herd. And the noted Fascinator and the famous Goldspur's Baronet 2d, while not bred at Divide Ranch, are sons of Browndale Goldspur the bull whose sons and grandsons feature this sale. Remember also that the 1939 American Royal junior champion bull, Sni-A-Bar Goldduster was sired by an Allen Cattle Company bred bull.

Read the notes under every picture in this catalog. Observe how many of America's leading herds are being improved with sons and grandsons of The Allen Cattle Company's herd bulls and remember that dozens of other breeders are using successfully bulls by these same sires.

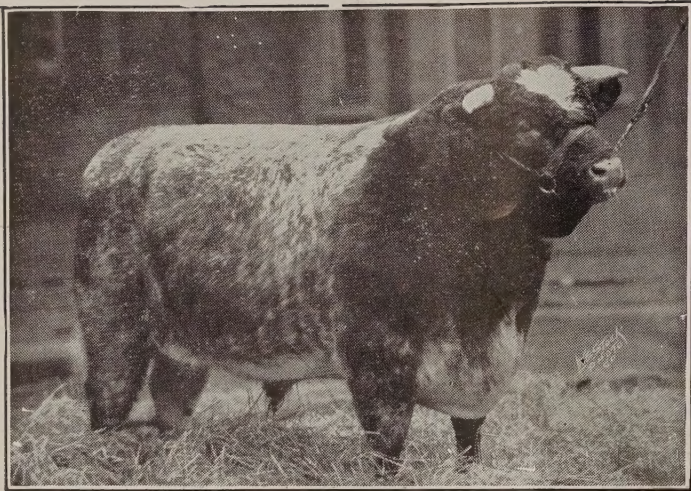

If a similar list of females were compiled, those from The Allen Cattle Company would be found to take just as prominent places in that list as do The Allen Cattle Company's bull productions in the Pictorial History.

Put an Allen Cattle Company bull at the head of your herd. Get one with the name Divide. That name will distinguish your bull and no one will question his breeding.

Remember that females from this herd are just as well known and just as effective improvers as are the bulls. Buy Divide cows and heifers and make your herd to be one of the top producing units of the breed.

The Allen Cattle Company's Best Productions Will Be Sold In This Sale. Be Prepared To Buy Them.

WILL JOHNSON, Sale Manager.

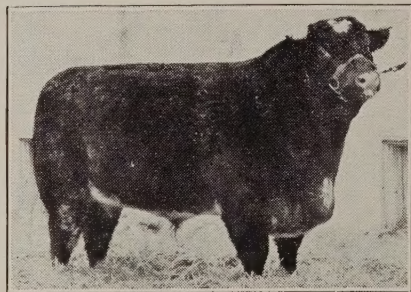

Divide Sensation grand champion at the International stock show for two successive years 1931 and 1932. Used with the greatest success in the herds of Haylands Farm, Sharpsburg, Illinois and Oakdale Farms, Granger, Missouri.

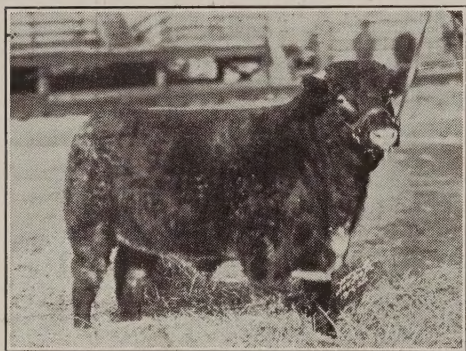

Some Famous Sons of

Browndale Archer

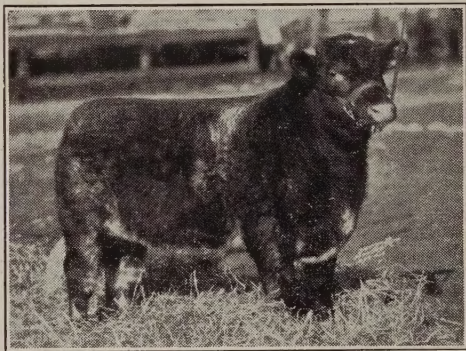

All bred by The Allen Cattle Co.

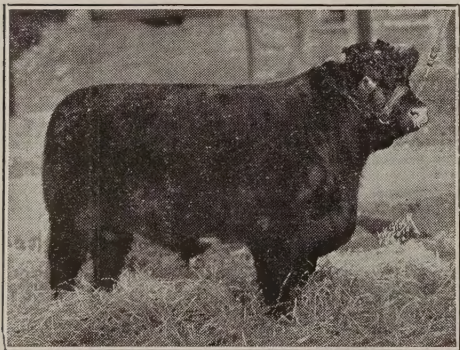

Divide Viking, a full brother to the junior champion female Divide Maid 11th and to Proud Archer. He was used with great success in the Divide Herd.

Proud Archer, a winning show calf, he was bought from us by Tomson Bros., Wakarusa, Kansas and in the hands of those great breeders, he has made an enduring name as a famous sire.

Divide Typedale, winner of the W. R. Nelson Trophy as champion calf at the American Royal in 1929. Became noted as a sire in the herd of L. A. Strother & Son, Bowling Green, Missouri.

Divide Golden Archer a first prize winner at the International, American Royal and the Guelph, Ontario Winter Fair. He was purchased by Colin Blyth, Guelph, Ontario and became one of Canada's leading sires.

Divide Patdale first prize junior yearling in 1931 and topped the Congress sale in 1932 by more than \$900.00 being purchased by Maytag-Zirbel Farm, Newton, Iowa. He is a scion of our greatest family and was an impressive sire.

BROWNDALE

ARCHER 1406824

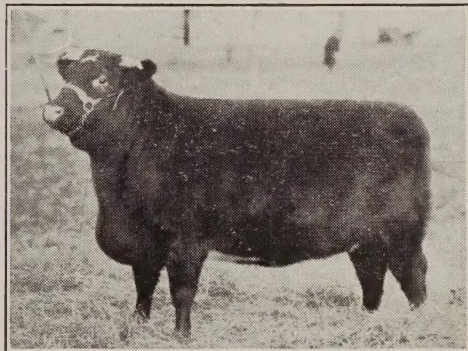

BROWNDALE ARCHER was a red bull, bred at Edellyn Farms and sired by that peerless sire Browndale Count. His dam, Poplar Camelia was an imported cow by Stonetown Archer. She was an outstanding individual and partly from her and partly from the dam of Browndale Count, he inherited the ability to stamp his calves with dark roan and red, a characteristic that has added much to their attractiveness.

In "The Story of Browndale Count" Rank Forbes says "Browndale Archer was purchased by The Allen Cattle Company of Colorado for \$1500.00. History reveals few bulls his equal as a consistent sire of uniformly high-class offspring, both male and female. So many of his get have been shown year after year and they have won so consistently in class, groups and championships, that it is not far-fetched to proclaim him premier sire among all the great sons of Browndale Count. Browndale Archer first was sold to go to Argentina but fortunately Wharton Allen bought him and saved this great sire for America."

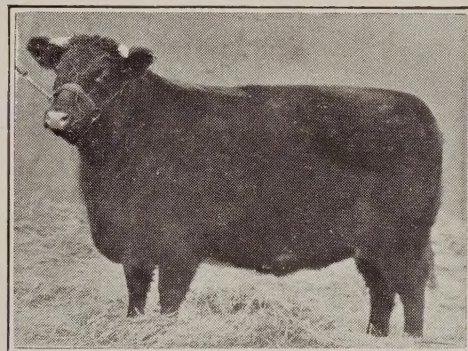

Most of the cattle in this sale are closely descended from this famous sire. Pictures upon this page and the opposite page show some of his noted offspring that have been produced in the herds of The Allen Cattle Company and are referred to in the following pages. His sons, in our own herd as well as in those of our customers, have proven to be as potent as he was himself.

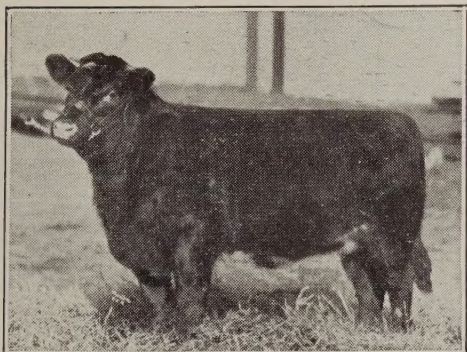

First prize Get-of-Sire by Browndale Archer. When we were showing his "Get" many different combinations were used at various fairs and shows, always with success. This is the group that won first prize at the International in 1930.

Divide Starlight 11th, junior champion at several shows including The American Royal in 1929. Sire, Browndale Archer. The "Starlight" family provided us with many winners.

Divide Impatience 2d International junior champion in 1933. International senior champion in 1934. Sire, Divide Banner 2d. Dam by Browndale Archer. She is of our "Patience" family, than which there is none better.

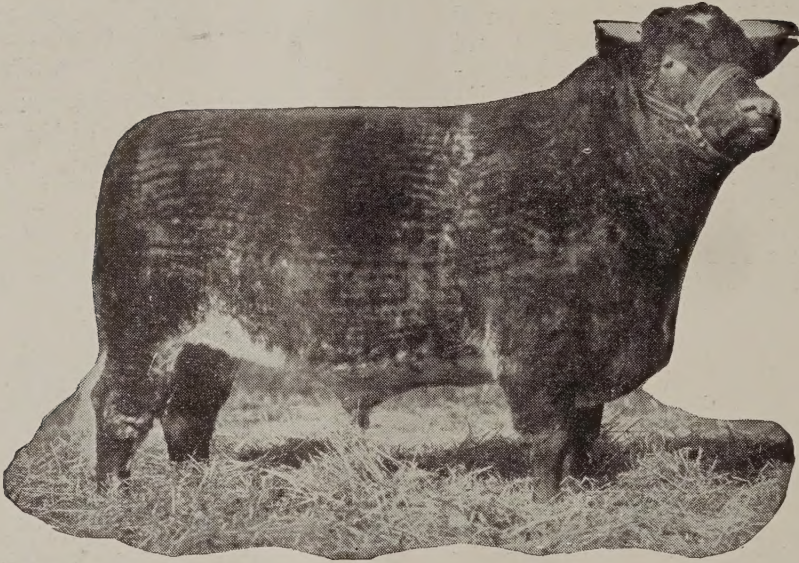

Divide Lady Dorothy, a double granddaughter of Browndale Archer. Undeclared junior calf in 1934. International and Canadian Royal junior champion in 1935. Sold for export in 1936 sale. (See Lot 40).

Another first prize Get-of-Sire. This group won at the 1931 International and at several other shows that year. The uniformity of Browndale Archer's calves made them invincible in groups.

America's Greatest Sire

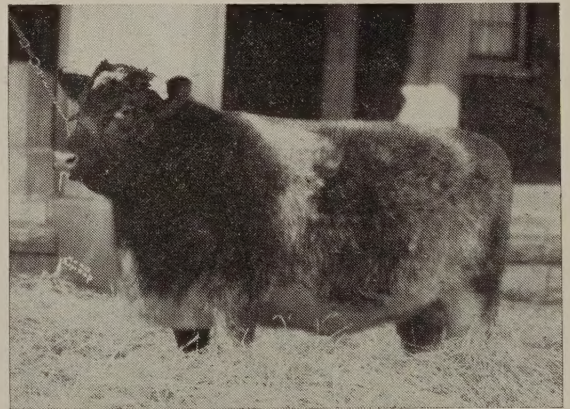

BROWNDAL GOLDSPUR 1464101

Grand champion of the International Stock Show in 1929, he was the sire of many champions and first prize gets-of-sire, and his sons and grandsons are siring champions and winners of first prizes. His son Divide Gold Mark, now one of Sni-A-Bar Farms herd bulls, sired for them the 1939 American Royal junior champion Sni-A-Bar Goldduster. Others of his sons are pictured in this catalog. His daughters also are great producers. Note the famous herds that are using sons of this great sire. Then remember that dozens of other herds are using them with similar success. The more of the blood of this great sire that there is in your herd, the surer you are to produce profitable and popular Shorthorns.

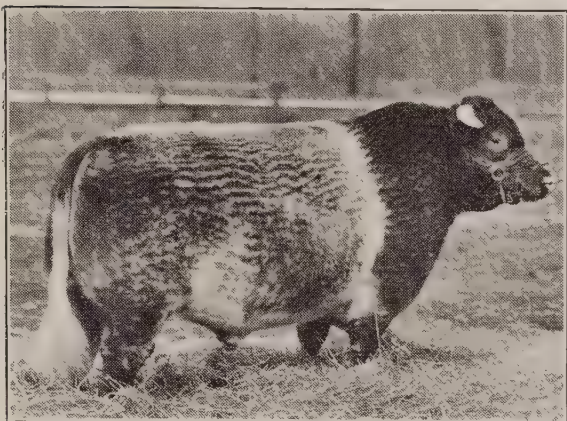

Divide Starlight 33d. Winner of first prize at the Canadian Royal Winter Fair and first prize at the International in 1937. Her sire is the great Brown Dale Goldspur. Her dam, the undefeated, many times champion Divide Starlight 11th.

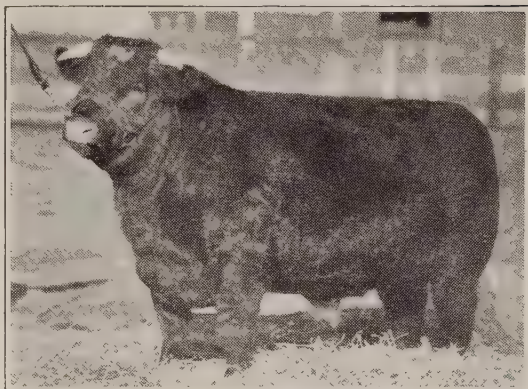

Divide Goldenrod 2d first prize summer yearling at the recent International Stock Show in the great class of 25 heifers, the best ever at Chicago. Also first prize summer yearling at 1940 Ogden show. Sire Brown Dale Count. Seven sisters of these two great heifers will be sold.

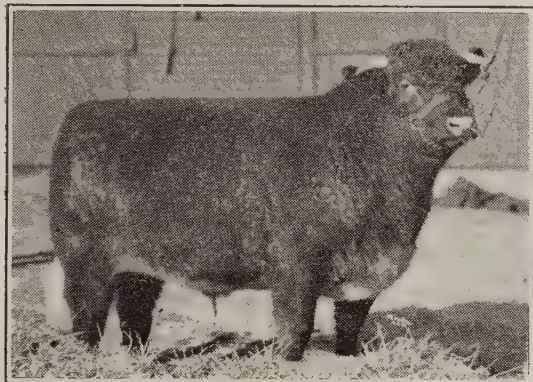

Some of Browndale Goldspur's Sons

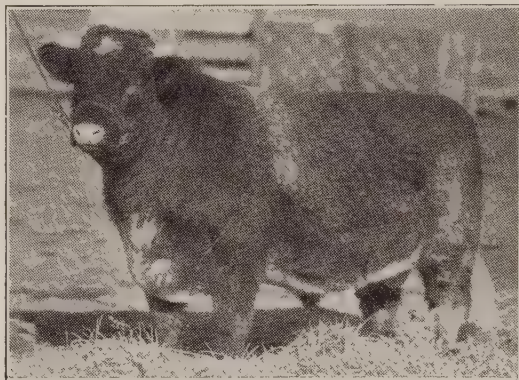

Goldspur's Baronet 2d, a grand champion that has sired champions and many first prize gets of sire at America's greatest shows including the International and American Royal. Herd bull for Mathers Bros., Mason City, Illinois.

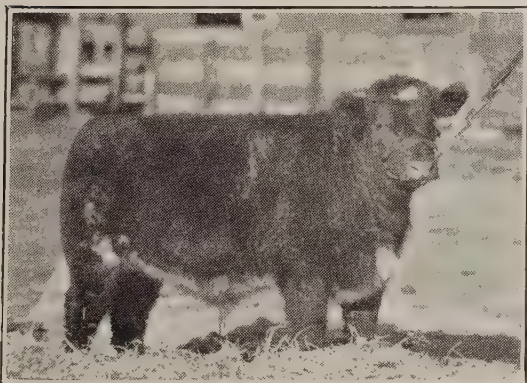

Divide Gold Nugget, first prize summer yearling at the Canadian Royal Winter Fair at Toronto 1935 and third at Chicago and one of the second prize get-of-sire at Chicago. He topped our 1936 sale and is an impressive sire in the noted Haylands herd at Sharpsburg, Illinois.

Divide Proud Goldspur winner of second prize as a summer yearling at the International and member of second prize get-of-sire and third prize pair of yearlings at the 1935 International. Now a sire of winners in the herd of D. H. Clark, Douglass, Kansas.

Divide Lord Goldspur, a winner at Toronto and Chicago in 1935. He was sold in our 1936 sale to J. Kardel and Son, Walcott, Iowa where he is still the chief herd bull and is siring a grand lot of calves many of which have been prominent winners in 1938 and 1939.

Divide Barrister sire of outstanding winners in the herd of John Regier and Sons, Whitewater, Kansas, who purchased him as a young calf in our 1936 sale at Des Moines. He is of the sixth generation of Allen breeding and is an exceptionally successful sire.

Fascinator one of the best known sons of Browndale Goldspur. He won the grand championship of the Iowa State Fair and has sired International junior, senior and grand championships. This year his get-of-sire was undefeated winning first at the International and American Royal.

DIVIDE SHORTHORNS have been as widely distributed as those from any herd in America. Bulls especially have been used by breeders in various provinces in Canada and from the Atlantic to the Pacific and South to the Gulf in the United States. Their vigor and substance have enabled them to thrive in all climates and their type and character, backed by generations of the most potent ancestors, are responsible for their popularity among all breeders who strive to improve their herds.

Divide Achievement, one of the most promising sons of Browndale Goldspur that we have used extensively in the herd. His sons and daughters have topped sales for us.

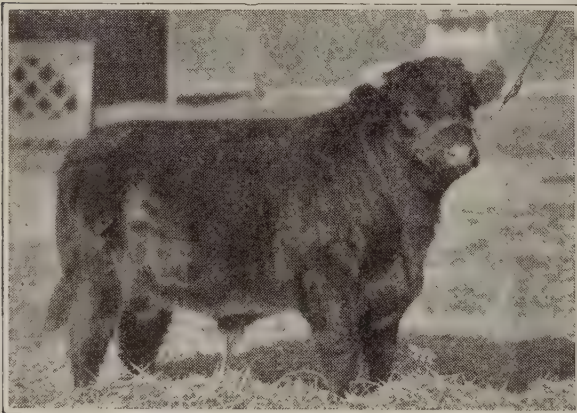

Divide Statesman, reserve junior champion Canadian Royal Winter Show in 1935. Sire, **Divide Banner 2d**. Dam, a Secret of Browndale Archer. Bought in our 1936 sale by George Struve & Sons, Manning, Iowa for whom he has sired champions.

Divide Gold Rapture is by Browndale Goldspur and out of a dam by Browndale Archer. There is no more potent blood than is obtained by this cross. He is siring absolutely top cattle for Peter Clausen and Sons, Spencer, Iowa.

Divide Quest by Browndale Banner 2d, out of a Browndale Archer dam, a Susan. A winning junior yearling in 1936 he is now one of the greatest sires in the Northwest. Bought in our 1937 sale by C. H. Hofstroud and Son, Churches Ferry, North Dakota.

Divide Gold Sovereign by Browndale Goldspur is a Starlight from a cow by Browndale Archer. He is one of the most successful sires in the Southwest, having been purchased in 1937 by John P. Impson, Beeville, Texas.

Divide Acme, by Browndale Goldspur out of a Browndale Archer cow. Was a winner for us in 1936 and now heads the herd of A. P. George, Richmond, Texas. He is a successful sire.

JOIN THE LIST OF THOSE WHO ARE USING DIVIDE BULLS WITH SUCH UNIVERSAL SUCCESS

Two Great Divide Herd Bulls

DIVIDE GOLDPIECE 1855008, the most outstanding son of the famous champion Browndale Goldspur, and out of our greatest producing cow, Divide Patience 2d. In 1938, as a senior calf, he won first prize at the Canadian Royal and International and the Nelson trophy at the American Royal. As a senior yearling, he won first in Canada and second in Chicago. His three sons and seven daughters in this sale prove him to be one of the breed's greatest sires.

DUKE OF KILLEARN 1919488, reserve grand champion Canadian Royal Winter Fair 1937, as a senior calf. Sire, Balmuchy Jasper (Imp.) Dam by the American Royal junior champion, Melbourne Rodney. He has proven to be a great sire as the five sons and nine daughters in this sale will show. Study his offspring.

Divide Gold Conqueror

Here is your opportunity to buy a son of the famous sire Browndale Goldspur 1464101. He comes from a family that has produced for us champions in both bull and female classes. He is ready for use. He displays quality, type and character besides pedigree worth. He was fourth prize senior yearling at the 1940 Ogden show. This grand two-year-old will bring success to some herd. Make it your herd.

We made no mistake when we procured The Duke of Killearn for use on our richly bred Browndale herd. His type is the same as we have been producing. He brings a cross of the greatest of all Scottish blood of his day, Naemoor Jasper as well as that of the famous Ballylyn Rodney. Divide Success is one of his earliest calves and has encouraged us to use the "Duke" extensively. You will like this grand young Nonpareil bull. That family was extremely successful in the Tomson herd and in ours.

Divide Magnet 2d cannot help becoming a noted herd bull. His sire is that grand bull Duke of Killearn. His dam Divide Maid 11th is one of the outstanding cows of the breed, a deep red by the noted Browndale Archer. In 1932 and 1933 she made a great show record being undefeated in class and winning the junior championship of the International, American Royal, Ogden and Denver shows. Since then she has been one of our most dependable breeding matrons producing an outstanding calf every year. He was fifth prize Junior Bull calf at the 1940 Ogden show.

Divide Clarion

Divide Clarion is another of the Orange Blossom family that gave us so many of our top selling and highest winning cattle. No bull ever had five better tops to his pedigree than this one and in type, quality and character he shows his good breeding.

Divide Hurricane is of exactly the same bloodlines as Divide Clarion. With very little fitting we showed him at the recent International Stock Show where he beat fourteen grand junior calves. If you want a great prospective sire or a bull that can win the junior yearling class next show season buy this one. He was second prize Junior bull calf in a class of ten at the 1940 Ogden Live Stock show.

Divide Select 1959247—Browndale Goldspur seldom sired a white calf, but when he did it was outstanding in quality and always proved to be a superior breeding animal. Divide Select is one of these and coming from our famous Browndale Maid family, he is sure to be one of the best. Do not overlook this great white bull.

Here are seven open heifers all sired by the Duke of Killearr, placed legs and good heads. These are real foundation cattle and best producing families. All of these are in the sale.
